REQUEST FOR WITHDRAWAL OF NOTICE OF INCOMPLETE REPLY

BOX Missing Parts  
Commissioner for Patents  
Washington, DC 20231

Dear Sir:

A Notice of Incomplete Reply (Nonprovisional) - Filing Date Granted was mailed in this application on April 3, 2002. The Notice indicated that the Oath and Declaration was missing and that the copy of the sequence listing in computer readable form did not comply with the requirements of 37 C.F.R. 1.822 and/or 1.823.

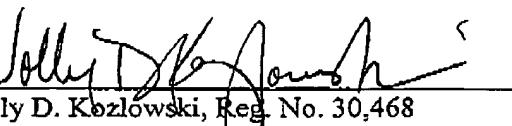

However, Applicants filed by Certificate of Mail on March 12, 2002 a Response to Notice to File Missing Parts of Nonprovisional Application-Filing Date Granted, including a Declaration and Power of Attorney signed by the inventors. A copy of the Response, the Declaration and Power of Attorney signed by the inventors, and Applicants' stamped receipt card evidencing receipt of the Response and the Declaration and Power of Attorney by the U.S. Patent and Trademark Office on March 19, 2002 are attached.

It is therefore respectfully requested that the Notice of Incomplete Reply be withdrawn and that any informalities in the computer readable form of the sequence listing

previously filed in this application be addressed in a separate Notice and with a new response period set therein.

As the Notice of Incomplete Reply was issued in error, based on the receipt by the U.S. Patent and Trademark Office of the Declaration and Power of Attorney on March 19, 2002, it is believed that no fee is required in connection with the present response. However, please charge any fees being due to Deposit Account No. 04-1133.

Respectfully submitted,

By:
